

# Compost Workshop

The Ancient Art of  
Bokashi and Bio Char

**January 18th, 2019**  
10 AM

Kin Ta Te  
Community Garden

Hoopa, California

**Learn the art of Bokashi composting an anaerobic process that relies on inoculated bran to ferment kitchen waste, including meat and dairy, into a safe soil builder and nutrient-rich tea for your plants. Create Bio Char with Bokashi tea and enrich your garden's soil.**

**Presenter: Hector Alvarez**  
*Rangeland Management Specialist*  
**Special guest: Tom O'gorman**  
*Trinity River Farms*
