

**Manager's Log**  
**Thursday, March the 26th 2020.**

Stepping aside for today, we have the report from the OES Public Information Officer with his COVID-19 report of the evening of March the 25th. In the future, we'll place this segment in its own spot during the 9am and 5pm News blocks.

Today is March 25 2020. This is the main update cases in Humboldt County. 10 total confirmed cases, nine active cases, five new confirmed cases today, one recovered case, we previously stated one fully recovered and one recovered. We are no longer going to state as fully recovered, but rather just simply recovered. As for the recovered case, we understand that it means the recovery stages but not medically cleared. Again, just to reaffirm we have 10 total cases Nine active cases, five that were new today and one recovered case. Current cases in Hoopa, California zero.

Updates from the covered response team met with tribal council to obtain additional funding to get more shelf stable food for the food banks. Digital road signs have been ordered and will be placed below Trinity Valley Elementary School and at the end of Hoopa on the Wiethpec side, stating "Shelter in Place" is active in Hoopa.

HoopaOES.org is now live and available to the public. That's HoopaOES.org. Our hotline at 530-625-8100 is now live and available for you to ask questions via voicemail or text. You may email questions to questions at Hoopaoes.org.

We are looking into obtaining rapid tests for Kimaw Medical Center. Current tests take around three days to get results and have to be sent to the county. Rapid tests take around 45 minutes and can be performed in house. Community updates. This is information gathered from the community Hoopa grocery store delivery coming in by Friday, March 27 2020. They have two employees out front making sure shoppers sanitize their hands before entering their sanitizing carts before and after each use. Masks and gloves are required for employees. They have marked every six feet by the Deli to maintain proper social distance. Deliveries are available to elders for groceries. Orders must be over \$20 cash or check only, limit to one case of toilet paper, one case of water and one hand sanitizer per customer. Occupancy is limited to 10 shoppers in the store. For every two people exiting the store, they will allow two people in. Preferred elders shopping hours are 6am to 8am

Hoopa mini Mart occupancy is limited to three shoppers in the store. Gas is pumped by the staff. Preferred payment method is debit credit card. Coming out to the Medical Center, please call ahead at 530-625-4261 and connect with the department you would like services from and they will give you instructions on how to proceed. This is the preferred method. If you come in person, there will be a person at the door to direct you on your on the process. Food distribution will be receiving their normal order this Friday. This concludes the evening report.

Thanks for listening
