\_\_\_\_\_  
Name of your organization

\_\_\_\_\_  
Address

\_\_\_\_\_  
Phone Number

\_\_\_\_\_  
Name of artist      Desired drawing in square/attach sample

(Volunteer Artists will be available)

Dear Sponsor,

The FKYML are planning the 19th Annual "Chalk it Up For Books" for Saturday, May 21, 2022 from 9:00 am-1:00 pm at the Kim Yerton Memorial Hoopa Branch Library and your participation is very much appreciated.

Your patronage will help us purchase materials for the library, promote literacy to folks from the Hoopa Valley, and Klamath-Trinity areas. And provide support for children's programs at the library including the Summer Reading Program. This year's Summer Reading Program is called "Read Beyond the Beaten Path", which will offer children of all ages an opportunity to earn prizes for reading during the summer. Children, and their families are invited to participate

Each Sponsor may choose what they would like drawn in their sponsored square or allow the artist to choose an appropriate drawing. Sponsors may draw their own square or recruit an artist to draw for them. In either case, the sponsor's name will be drawn in the square. Each sponsor and artist will receive a colorful certificate suitable for framing with their name and a photograph of the artwork.

As always, we thank you for your support and we look forward to your participation this year. A sign-up form with all relevant information and deadlines is attached.

Thank you,

Friends of the Kim Yerton Memorial Hoopa Branch Library
