

Dear Sponsor,

The FKYML are planning the 20th Annual "Chalk it Up For Books" for Saturday, May 27, 2023 from 9:00 am-12:00 pm at the Kim Yerton Memorial Hoopa Branch Library and your participation is very much appreciated.

Your patronage will help us purchase materials for the library, promote literacy throughout the River Communities and provide support for children's programs at the library including the Annual Summer Reading Program.

Each Sponsor may choose what they would like drawn in their sponsored square or allow volunteer artists to choose an appropriate drawing. Sponsors may draw their own square or recruit an artist to draw for them. In either case, the sponsor's name will be drawn in the square. Each sponsor and artist will receive a colorful certificate suitable for framing with their name and a photograph of the artwork.

As always, we thank you for your support and we look forward to your participation this year. A sign-up form with all relevant information and deadlines are attached.

Thank you,

Janice Nixon
